Monday 27\textsuperscript{th} May 2013

Hello Everyone!

Congratulations to, Kenneth Northey our STAR OF THE WEEK! Kenneth has received this very prestigious award for getting his Spelling and Reading activities completed!

What a great experience I had on Thursday afternoon, when I attended the opening of the Kendall Pre-School Bush Tucker and Herb Garden! Just shows how Community can combine to achieve very special things! Congratulations to all involved! Not even the weather could dampen the enthusiasm!

Practicum for HVPS
Nathan Lamb, a second year Newcastle University education student, will be joining us for the remainder of Term 2, from Week 7 onwards. Nathan will be working mainly with the Year 3-6 class, although will have the opportunity to be involved with K-2 as well.

Premier’s Reading Challenge! ...
Mrs Nolan has really got this on the go! A ready supply of Premier’s Reading Challenge books are in the Office if anyone is looking to complete their Challenge as Home Reading! Primary that’s for you as well!

Electricity & Technology Checks & Replacements
Lecsafe will be in the school today to check out electrical appliances and cabling. Next Monday and Tuesday we have two days of IT work to be carried out, as the schools server is replaced.

Music Lessons & MOJO!
Guitar, Keyboard and Recorder lessons will be taking place on Thursday (30\textsuperscript{th} May) this coming week as Friday (31\textsuperscript{st} May) is the MOJO Carnival at John’s River!.. HOPEFULLY THIS TIME! Following this, Friday (7\textsuperscript{th} June) of Week 6 will be the Lansdowne District P.S.S.A. Carnival. This Carnival will be held at the Taree Recreation Grounds.

Mrs Jones will be in attendance at the MOJO carnival on Friday as I have a First Aid Refresher Course at Forster on that day. There will be no regular classes at school on Friday so parents, if your child will not be attending the MOJO carnival, please make other arrangements for their supervision for the day.

A big THANKS to Brett Partlett, who came in on Friday to fix the pump to our toilet block!
