Hello All,

This week we welcomed Mya and Hannah! We were very pleased to have our 2016 Kindergarten students with us, and students will return on Thursday this week for the morning session. Parents will be dropping off and picking up this week!

Whizzy the Waterdrop dropped by on Tuesday! A timely reminder to us all as the weather warms up of the importance of conserving our water!

It was a shame that the MILO Cricket day could not go ahead due to really inclement weather. However, an important day of learning replaced it...we literally could not get outside much at all, and even prop building became a bit difficult.

**MILESTONES AND THE SCHOOL PLAN**
I will be Meeting with Mr. Graham Small tomorrow at Johns River PS, along with Nikki Cochrane from Herons Creek. This meeting will take place from 9.15 – 11.00a.m. we are finalising milestones for the School Planning Process.

**VAUDEVILLE UPDATE**
We are shouting out for family photographs please!...Digital or hard copy we will return these to you within the day! Ms. Smith will be along on Mondays and Wednesdays for the next 5 weeks to teach the students a few extra dance moves for the production!

The Marrog

My desk’s at the back of the class
And nobody, nobody knows
I’m a Marrog from Mars
With a body of brass
And seventeen fingers and toes.
Wouldn’t they shriek if they knew
I’ve three eyes at the back of my head
And my hair is bright purple
My nose is deep blue
And my teeth are half-yellow, half-red?
My five arms are silver and spiked
With knives on them sharper than spears.
I could go back right now, if I liked
And return in a million light years.
I could gobble them all
For I am seven foot tall
And I’m breathing green flames from my ears.
Wouldn’t they yell if they knew,
If they guessed a Marrog was here?
Ha ha they haven’t a clue—
Or wouldn’t they tremble with fear!
‘Look, look, A Marrog’
They’d all scream – and SMACK
The blackboard would fall, and the ceiling would crack
And the teacher would faint, I suppose.
But I grin to myself, sitting right at the back
And nobody, nobody knows
