Hello All,

This week we welcomed Mya, Hannah and Tiana (another kindy for 2016)! We were very pleased to have our 2016 Kindergarten students with us – lovely to welcome the Jackson family to the district, they hail from Nabiac.

MILESTONES AND THE SCHOOL PLAN
Nikki Cochrane, Josh Tomasone and myself met with Graham Small at Johns River PS to check that our recording of milestones for the School Planning Process are on track. So far, so good!

MANNING SMALL SCHOOLS COLLEGIAL MEETING AT HVPS
Thanks to Katie Nolan, Pamela Cabot, Michelle Partlett and Carla McInnes (who helped out with catering and other odds and sods) this day was a wonderful success! Principals from Mitchell’s Island, Moorland, Harrington, Mt. George, Upper Lansdowne, Lansdowne, and John’s River discussed the new Annual School Report format, Milestones, Interschool projects for 2016 (such as Public Speaking and a new Science Unit sharing initiative!), Teacher Accreditation, Classroom observation and Performance Development Plans. We also heard a report from Dr. Josephine Gwynne from St. Vincents Hospital, re an extensive study on students’ diet in the Taree and Kempsey areas.

VAUDEVILLE UPDATE
We are shouting out for family photographs please!...Digital or hard copy we will return these to you within the day! Ms. Smith will be along on Mondays and Wednesdays for the next 4 weeks to teach the students a few extra dance moves for the production!

Thanks for your help and support everyone!

Cool & Healthy Summer Snacks

The weather is warming up so here are some healthy snacks to keep you cool this summer:

- Frozen fruit such as berries, orange quarters and fruit kebabs
- Use moulds and low fat yoghurt to make frozen yoghurt shapes
- Make your own icy poles using 99% fruit juice and fresh pieces of fruit
- Make your own ‘ice cream’ using mashed up bananas (it’s deliciously creamy!)
- Use fruit, vegetables and low fat milk or water to make a delicious smoothie and top with plenty of ice. There are heaps of different combinations to try!

QUOTE OF THE WEEK
“Go and love someone exactly as they are. And then watch how quickly they transform into the greatest, truest version of themselves. When one feels seen and appreciated in their own essence, one is instantly empowered.”
