Our engaged community will provide a foundation for us to move forward with confidence and enthusiasm to achieve success.

Kitchen/Garden is back in action this Friday.

Cross Country
On Friday Johns River Public School joined us for a practice Cross Country.
The first thing we did was walk the course. The track went into the carpark and around the Fire Station.
We had a drink stop. Every time we did a lap we got a sticker. In my race I got first place.
It was fun.

Harmony Day Report
On Friday we had Harmony Day. We ran three or less or more laps around the oval.
We had to bring some orange clothes to school. The canteen was open and they had orange cup cakes, jelly cups, orange cordial and balloons.
We played on the playground and we played soccer and also handball so when we finished playing we had to go and sit down on the mat. We talked a bit then we got tickets for the sausage sizzle. We had to sit back down. When we finished we did a chalk drawing. After that we got three counters and we had to vote for the best one.
When we finished that we made a letter to put on the peace tree. Then we had our presentation. After that we went inside. Johns River School left. We did silent reading then me and Adam left.

PSSA Soccer Trials

Last Wednesday Jasmine, Sam, Connor and I went to Omaru Park in Taree for the Manning soccer team. It started at 11:00am.

When I got there I kicked the ball with Jas. We did that for about 10 minutes and then we signed in.

We got picked for our colours (what team we are on) Jasmine and I were both on the red team.

At first I was off. I was off for about 25 minutes and then I swapped with Jas. I went to centre-mid. The score after the first game was about 7-0.

We had two more games after that. Jasmine made it through but Sam Connor and I didn’t. I had a great day.
