GRIPE LEADERSHIP CONFERENCE FOLLOW-UP
SRC are organising a Pirate day Friday 12 June, and are also registering the school in Planet Arks’ tree day to be held Friday 24 July.

LEADERSHIP DEVELOPMENT FOR CAPTAINS AND PREFECTS CHHS – WEDNESDAY 10 JUNE
Notes will go home with students involved this week. We are awaiting final times etc.

PUBLIC SPEAKING COMPETITION FOR MANNING SMALL SCHOOLS GROUP.
This competition is for Year 6 students and will be held on Wednesday 17 June at Taree Primary School. Students have chosen their topics for this event and an information note re times and travel will be sent home this week.

PROFESSIONAL DEVELOPMENT
I am off to a PL day in Port Macquarie on Wednesday (as long as I am not needed on the home front! – it is due date for baby!) This day has two halves, one half is about Principalss becoming the sole supervisors for Teacher Accreditation, the other is about setting milestones for the School Plan. I did a bit of this at the last meeting at Mitchell’s Island PS, so should be able to arrive with a fair idea as to where we are up to re the latter half of the day!

STUDENT MEDICATION ADMINISTRATION AT SCHOOL
Thanks to those who have been working away at getting ASCIA Action Plans into the office. There are a couple still outstanding – please get these in as soon as possible parents!

LIFE EDUCATION
This valuable program takes place today!

JUMP ROPE FOR HEART
Will take on a different look this year. Students will be provided a small prize, Sausage Sandwich and drink for taking part in this event. Sponsorship will still be sought by students, and a donation sent to the Jump Rope organisation. Forms have gone home this week! These are orange!!! While we support the Jump Rope for Heart concept, the idea of prizes based upon monetary worth does not appeal.

LONG SERVICE LEAVE
Welcome Mrs. Diane Horrobin Relieving Principal, Hannam Vale Public School! I will be on LSL until the beginning of Term 3.

Pam Everingham Diane Horrobin
Teaching Principal Relieving Principal
Last week our gardening session was thwarted by the weather! We have kale, garlic, spring onions, a few more lettuce and some peas that have been planted. This Friday we will get busy replacing some of the plants in the wicking boxes. These need a revamp.

Kitchen and Garden will go ahead this week!
