Hannam Vale Public School Athletics team.
Sports Carnival 17/7/15

On Thursday the 16th of July 2015, I went to my last Primary School Athletics carnival at Taree. I went to the Athletics carnival with my Mum and we gave Leah, Elen and Adam a lift. We got there at nine o’clock and ten minutes later we did the March past and Elen and I were at the front of the Hannam Vale line and we Marched for about 3 minutes.

After that, the 200m races started and I came 1st in my heat. We had 100m races next and I came 2nd in my heat by 2 hundredths of a second. Then we had the Finals and I made it in both the races. In 100m Finals I came 4th and in 200m I came 1st. After that I had shot put and long jump. In shot put I came 5th and in long jump I came 6th and jumped 3.02m. For lunch I had a bacon, egg and sausage burger.

Then I had my 800m race and for the first lap I was leading and at the end I came second by 20m. My final event for the day was the PP6 relay and we won by over 20m. In our relay team is Jasmine, Elen, Sam and myself. I will be going to zone for three events; the 200m, 800m and the relay.

I had a great day and it was an awesome way to have my last primary school Athletics carnival.
