Camden Haven Arts Festival For Schools (CHAFFS) is on again as part of the celebration that is Education Week! This is an important part of the compulsory performing Arts Component of the students learning program. All NSW Department of Education students are required to take part in these kinds of events. We are very lucky to have such a supportive Community of Schools surrounding us, allowing for this high quality performing arts event to be organised.

Kitchen/Garden swung into action this Friday!
A big thanks to parents who came along to help plant our shrubs donated to us by Taree Council. Unfortunately it was raining so not everyone could be involved.
Prior to 2p.m. it had not rained and, with the help of Peter and Dennis there was a lot of action in the Vegetable garden area. The No-Dig garden was extended! Students were involved in this major project, but were also working on re-vamping our decorative wheelbarrows! Students fully involved themselves in garden maintenance activity.
We weeded, pulled up old broccoli, dug in our beans and harvested our carrots, lettuce and kale.
In the kitchen delicious kale and pumpkin macaroni, carrot fritters and bread, accompanied by a cucumber and sour cream sauce made for delicious eating - along with Laura and Markes' very tasty salad!
It was a terrific Session!
